

2020

ANNUAL IMPACT REPORT

MICHIGAN OVARIAN CANCER ALLIANCE

Despite the many challenges throughout the year, in 2020 the Michigan Ovarian Cancer Alliance continued its mission and found new ways to continue to actively support innovative research, raise awareness, engage in advocacy, and maintain programs that provide support for individuals and their families throughout Michigan.

AWARENESS AND EDUCATION

EDUCATING FUTURE HEALTH PROFESSIONALS

698

FUTURE HEALTHCARE PROFESSIONALS

As statewide facilitators of the Survivors Teaching Students: Saving Women's Lives® Program of the Ovarian Cancer Research Alliance, MIOCA teams educated **698** future healthcare professionals (medical, nursing, or other allied health professional students) at **15** schools throughout Michigan.

PUBLIC EVENTS

Our 2020 events looked different from previous years. This did not stop the efforts of raising awareness and funds towards ovarian cancer. We hosted our Mother's Day Time to Teal from home, Shake Your Teal Feathers as a drive-thru parade, Tie Michigan Teal took place all around Michigan, and Oktealber as a virtual celebration and silent auction.

PROGRAMS AND OUTREACH

Through the SPEAK (Survivors Promoting Early Awareness and Knowledge) program, MIOCA reached community members in **churches, hospitals, and community centers** throughout the state.

Remaining connected and supported during the pandemic was a critical goal of MIOCA. This year, we found new and **modified ways to continue to offer opportunities for education, connection, and increased awareness virtually**. MIOCA provided support to ovarian cancer survivors at individual and group levels:

SURVIVOR SUPPORT

Survivor Support Totes containing gifts and helpful information for women in treatment **were distributed to 37 ovarian cancer survivors** across Michigan.

Remaining connected and supported during the pandemic was a critical goal. MIOCA found new and modified ways to continue to offer opportunities for education, connection, and increased awareness virtually.

This included **hosting 9 webinars** to facilitate virtual education and wellness opportunities. MIOCA connected with individuals through these programs with topics ranging from managing stress to genetics.

In 2020, MIOCA continued to engage with **3 monthly support groups** in Ann Arbor, West Michigan and in Northern Michigan. Starting in March, these meetings began taking place virtually to continue meeting and providing support throughout the pandemic.

RESEARCH

\$100,000

RESEARCH GRANTS AWARDED

\$600,000

AWARDED IN MICHIGAN RESEARCH GRANTS SINCE 2014

Through the Geri Fournier Ovarian Cancer Research Awards, **\$100,000 will be granted to two research teams in Michigan** working to improve treatment outcomes and early detection. **Since starting this grant program in 2014, MIOCA has awarded \$600,000 to Michigan researchers.**

2

RESEARCH TEAMS IN MICHIGAN

GRANTS AWARDED TO:

Geeta Mehta, Ph.D.

Department of Materials Science and Engineering Department of Biomedical Engineering,

University of Michigan

Study entitled, "Synergistic combination of oxidative phosphorylation and PDGF inhibitors for treatment of ovarian cancers."

Zhanjun Hou, Ph.D.

AND

Larry H. Matherly, Ph.D.

Barbara Ann Karmanos Cancer Institute, Wayne State University School of Medicine

Study entitled, "Novel Targeted Therapeutics to Ovarian Cancer"

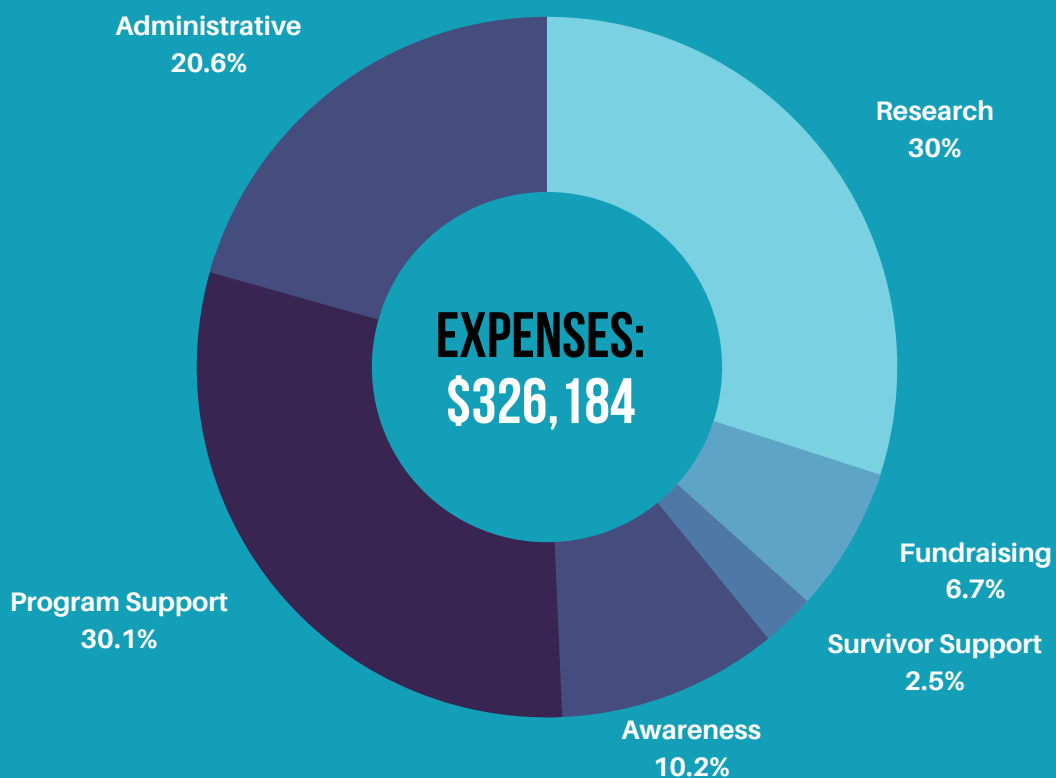

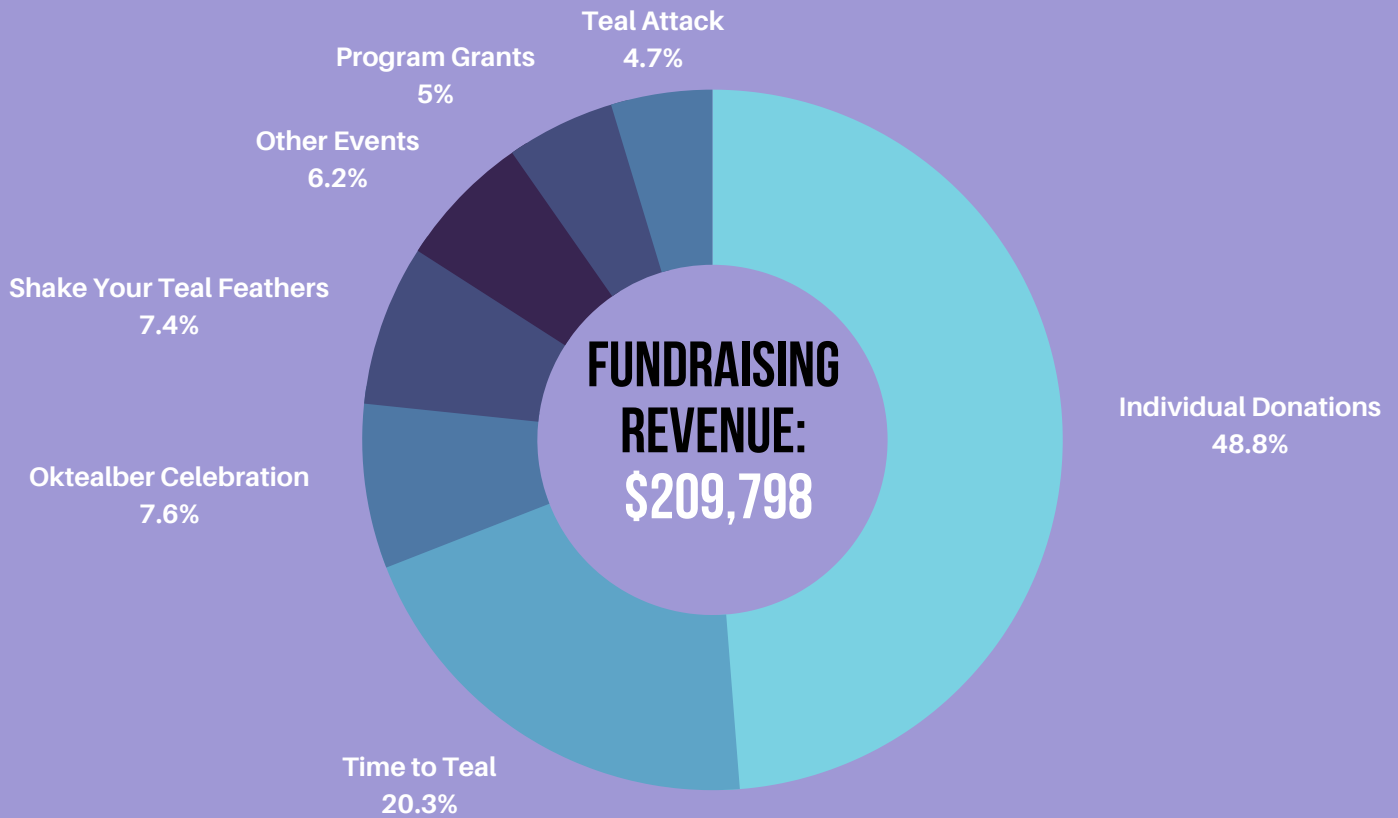

ADVOCACY

MIOCA works to advance federal and state legislation to improve funding and support for survivors. In March 2020, one representative was able to travel to Washington, D.C. to join a small group of advocates in the National Ovarian Cancer Advocacy Day, coordinated by the Ovarian Cancer Research Alliance. While many were unable to attend due to the early cases of COVID-19, the present advocates shared the importance of increased funding for ovarian cancer research and education.

These advocacy efforts play a critical role as individuals who have been impacted by ovarian cancer share lived experiences to educate legislators on initiatives needed to advance access, awareness, and care.

2020 FINANCIALS

2020 MEMBERS

2020 BOARD MEMBERS

Suzi Peterson Steward, Board President,
